

# Toulon Provence Regatta

## 22-25 May 2025 program

TOULON PROVENCE REGATTA welcomes all metric and universal sailing classes for an exceptional edition of coastal races and real-time regattas. The magnificent 12mJl yachts will compete for the 56th French Yacht Club de France Cup, marking the opening event of the 2024-2025 Mediterranean sailing season.

Classic and vintage yachts, true gems of maritime heritage, will take on scenic coastal courses, while the 2.4mR class will race as part of their European circuit championship.

Elegance, competition, and tradition come together in a spirit of sporting excellence and camaraderie.
